

# Kodiak Xpedition 2010

## The Xpedition

Whitewater Rafting on the world famous River of No Return - Idaho's Salmon River! Join us for seven days of Kodiak Leadership Training (both Kodiak & Kodiak X), Whitewater Guide Training, and much more!

75 miles of whitewater and 50 named rapids on Idaho's Salmon River. A full week of adventure and leadership training. Fun in the sun, warm water, sandy beaches, good food and great friends.

Kodiak X is open to those that have previously taken Kodiak. Whitewater Guide Training is open to all Venturers who can demonstrate strong swimming skills and have some experience running rivers in canoes, kayaks or rafts.

## When

Saturday evening, July 10 through Saturday, July 17, 2010

## Where

Meet in White Bird, Idaho and run the Salmon River through Idaho, to the Snake River in Oregon and on to Heller Bar in SE Washington State. This is the second deepest canyon in North America.

## How

Come as an individual Venturer or as a Crew. This trek is hosted by experienced whitewater Venturing Crews from the Seattle and Los Angeles areas. We are accustomed to large groups and have invested a lot of time and money in order to provide a safe, fun Kodiak experience!

## Cost

This trek is funded on a cost-shared basis. We will divide the costs of the trek equally according to our final budget. We are not commercial guides or outfitters, so no one takes compensation from the trip. All costs must be divided equally. Our best estimate, and one we will not exceed, is \$375 per person for the entire experience.
